

2021-22 New Victory LabWorks

Application overview

NEW VICTORY LabWorks supports artists who identify as Black, Indigenous, and People of Color (BIPOC) in the creation of original work for kids and families. We commit to welcoming and uplifting BIPOC artists who identify as LGBTQIA+ and BIPOC artists who identify as disabled. In an effort to diversify the field of performing arts for young audiences and the productions seen on stages across the nation, NEW VICTORY LabWorks supports adventurous performing arts for family audiences that amplify a multitude of voices. As an artistic home for artists of all disciplines, NEW VICTORY LabWorks explores, devises and reimagines what theater for families can be.
