# New Victory Education Virtual Partnership Program

The NEW VICTORY Education Virtual Partnership is **free and fully underwritten** for public schools in NYC for the 2020-21 academic year, but educators of all kinds can register to gain access to free remote learning resources and experience interactive workshops for a low cost.

This program offers in-depth performing arts engagement and learning modules that infuse creativity across school curricula, is culturally responsive and has flexible scheduling. NEW VICTORY Teaching Artists invite Pre-K - 12th grade students to engage in active arts exploration using trauma-informed and social justice practices to spark imagination, build ensemble and community, ignite agency and inspire hope.
